RE: FOIA Request
Covenant Place Phase I
St. Louis, Missouri 63146
SCI No. 2013-0963.23

Dear Ms. Albano:

SCI Engineering, Inc. is currently conducting a Phase One Environmental Site Assessment located in the St. Louis area. The property includes addresses 6, 8, and 10 Millstone Campus Drive and 1309 Lindbergh Boulevard in St. Louis, Missouri. Please provide any files regarding this project. Under the Freedom of Information Act, we request any documents containing information, complaints, or environmental concerns (e.g., asbestos-containing materials, polychlorinated biphenyls, hazardous materials or waste use or release, petroleum product materials or waste use or release, solid waste disposal, underground storage tanks, leaking underground storage tanks, air emissions, water emissions, or industrial activities). A map of the site area has been enclosed for your reference.

The project area is less than 2 acres (Township 45 North, Range 5 East, Section 35). The site currently consists of multiple commercial buildings. The addresses for the subject site are 6, 8, and 10 Millstone Campus Drive and 1309 Lindbergh Boulevard. The USGS Topographic Quadrangle Map (with the site location) is included for your use.

Please inform me of any fees associated with this request which would exceed \$25.00. Thank you for your assistance. Please direct all correspondence to:

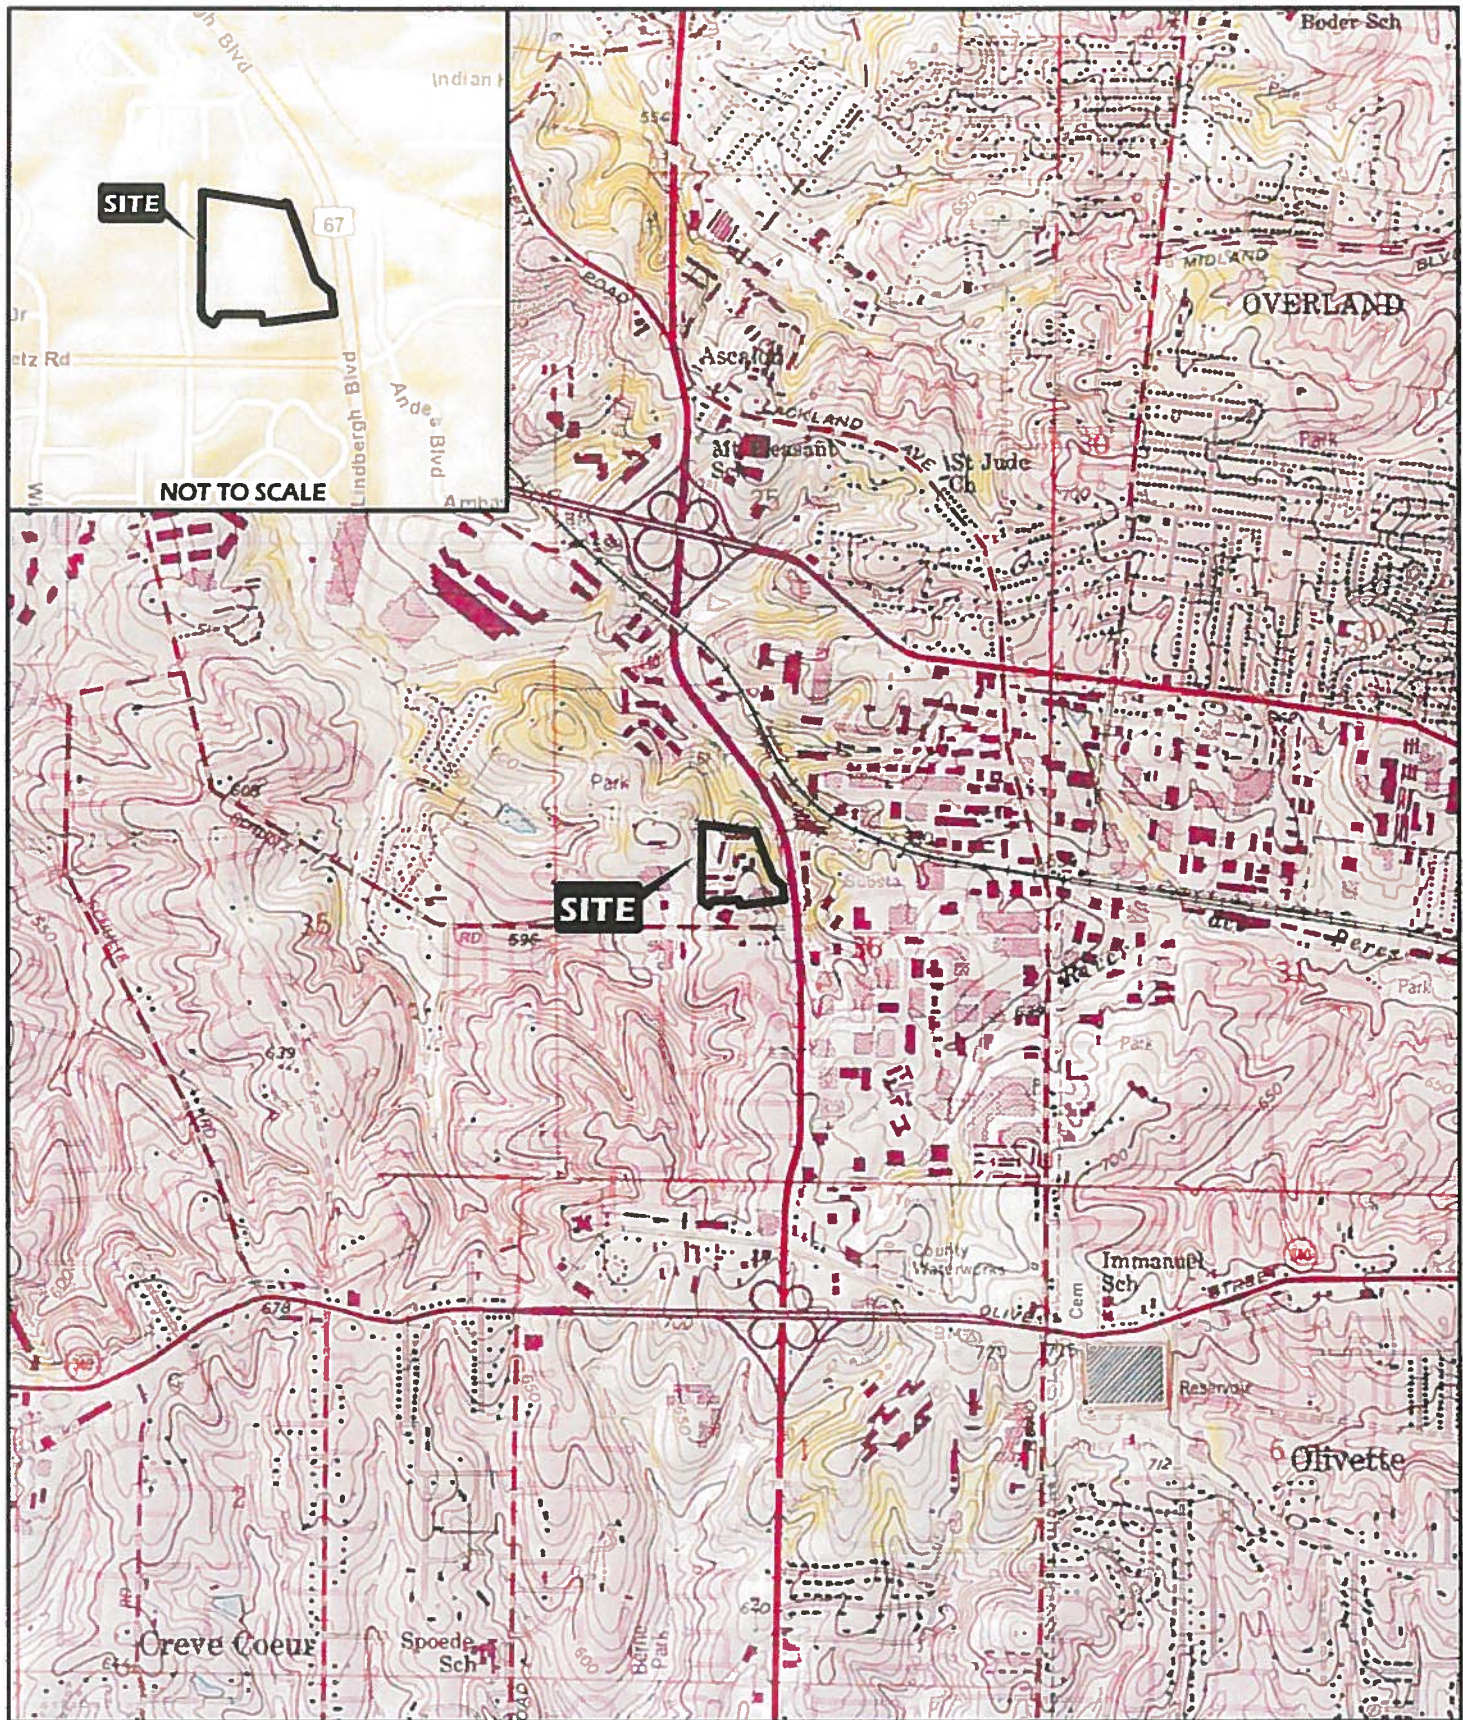

Jessica B. Keeven
